

The Coaches Meeting

The Coaches Meeting will be held in the Holiday Inn Express main conference room at approximately 3:00 pm.

A proposal by the board to manage the locations of the WSECC tournament and assure consistent tournaments from year to year is proposed. If accepted this may supersede the two proposed bids, although it is likely they will be executed as proposed.

Bids submitted to weccboard@chesschampions.org and the proposal are on-line for review.

Other business:

- 1) Proposal to allow larger team size based on WSECC registrations. Modify section 2.6 to: “trunc(Total registrations/180) or 4 whichever is greater”. To encourage coaches to pay attention to all members of the team not just the top 4, and to avoid the large number of tie breaks for team place.
